## *The MBCA Central Florida Section Presents...*

*Mercedes Benz aficionados from around the state are invited to participate in a car show at The Lakeside Inn in the heart of historic Mount Dora. The Inn, nestled between landscaped grounds that sweep down to the white shoreline of Lake Dora, was built in 1883 and is the oldest continuously operating hotel in Florida. It has only gained in charm and appeal over the years.*

*The town of Mount Dora is a haven for artists, antique lovers, and water sports. Arriving in your new or vintage Mercedes Benz will add to the established class of the town for that day! Make a reservation at the hotel now for this special event. We look forward to making new friends from other parts of our State!*

*Our cars will be on display for the townspeople, tourists and club members to enjoy! We will partake in a bountiful lunch in one of the hotel's historic dining rooms and, of course, a grand prize will be awarded for "BEST IN SHOW" (as judged by the townspeople, tourists and participants).*
